

Edward D. Huntley

Postdoctoral Research Fellow
Population, Neurodevelopment and Genetics Program
Survey Research Center, Institute for Social Research
University of Michigan
426 Thompson St.
Ann Arbor, MI 48106-1248
Email: huntleye@umich.edu

Education and Training

- 09/1994 – 05/1998 B.S., Biology and Psychology, Canisius College
08/2002 – 05/2005 M.A., Clinical Psychology, American University
08/2005 – 12/2012 Ph.D., Clinical Psychology, American University (*APA Accredited*)
09/2011 – 08/2012 Clinical Internship, University of Michigan Institute for Human Adjustment (*APA Accredited*)
09/2012 – 08/2014 Clinical Psychology Postdoctoral Fellowship, Department of Psychiatry, University of Michigan-Department of Veterans Affairs Consortium (*APA Accredited*)
09/2012 – 08/2014 Behavioral Sleep Medicine Fellowship, Department of Psychiatry, University of Michigan (*Society of Behavioral Sleep Medicine Accredited*)
09/2014 – Present Research Investigator in the Population, Neurodevelopment and Genetics Program, Survey Research Center, Institute for Social Research, University of Michigan

Professional Appointments

- 9/2014 – Present University of Michigan, Population, Neurodevelopment and Genetics Program, Survey Research Center, Institute for Social Research, Ann Arbor, MI; *Research Investigator*. Supervisor: Daniel P. Keating, Ph.D. Coordinating a NIH sponsored project (R01HD075806-01A1), characterizing the behavioral, cognitive, and neural bases of adolescent risk taking.
- 9/2012 – 08/2014 University of Michigan-Department of Veterans Affairs Consortium, Department of Psychiatry Postdoctoral Fellowship (*APA-Accredited*), Ann Arbor, MI, *Postdoctoral Resident*. Supervisors: J. Todd Arnedt, Ph.D. & Roseanne Armitage, Ph.D. Participated in a study evaluating the effects of repeated partial sleep deprivation to augment response to antidepressant treatment in young adults with depression (R01MH077690), specifically the early response to treatment on daily mood and neurocognitive functioning. In addition, served as a co-investigator on an ongoing study evaluating a novel circadian and sleep intervention to augment depression treatment in adolescents.

- 7/2009 – 8/2011 Howard University School of Medicine, Department of Psychiatry, Washington, D.C.; *Study Coordinator*. Supervisor: Thomas A. Mellman, M.D. Coordinated NIH sponsored project (R01HL087995), characterizing the association between nocturnal blood pressure and posttraumatic stress disorder in African American adults.
- 1/2003 – 7/2009 Children’s National Medical Center, Division of Psychology, Washington, D.C.; *Study Coordinator*, Supervisor: Daniel S. Lewin, Ph.D., D.ABSM. Coordinated two NIH sponsored projects, characterizing sleep and fatigue in HIV-infected children (R01HL079555) and the psychological sequelae of disturbed sleep in children (K01MH001958).
- 6/2005 – 8/2005 Brown University, Providence, R.I.; *Research fellow*. Supervisor: Mary Carskadon, Ph.D. Participated in a NIAA funded study (R01AA13252) investigating the effects of alcohol exposure on sleep, circadian rhythms and daily functioning in young adults.
- 9/2001 – 1/2003 Children’s National Medical Center, Division of Oncology, Washington, D.C.; *Clinical Research Assistant II*, Supervisor: Nita Seibel, M.D. Monitored clinical trials sponsored by the Children’s Oncology Group and the Pediatric Brain Tumor Consortium. Provided reference and assistance to physicians in regard to inclusion/exclusion criteria for patients eligible for enrollment into therapeutic and epidemiological studies. Monitored and maintained patients’ research records including study progress, documentation of chemotherapeutic doses and grading/reporting toxicities through reviewing laboratory results, imaging studies and clinic notes. Submitted and maintained all supporting Institutional Review Board documentation for clinical trials.
- 9/1999 – 8/2001 Saint Louis University, Department of Women’s Health, Saint Louis, M.O.; *Research Assistant II*, Supervisor: Robert Kokenyesi, Ph.D. Coordinated a NIH funded research project (5R03HD041036) to study the role cell surface proteoglycans have in the adhesion of ovarian carcinoma cell lines to types I, III collagen and cellular fibronectin. In addition, the invasive behavior of these cell lines was characterized for type I collagen. Responsible for maintaining primary ovarian carcinoma cell lines in culture, DNA sequencing, and data transcription and analysis. Research presented at the 2000 Society for Gynecologic Investigation annual meeting.
- 9/1998 – 9/1999 SUNY Buffalo School of Medicine, Department of Obstetrics, Buffalo, N.Y.; *Research Assistant I*, Supervisor: Robert Kokenyesi, Ph.D. Assisted in a research project sponsored by the NIH (7R03DE012652), which investigated proteoglycan synthesis. Responsible data transcription and analysis.

9/1996 – 8/1998 Canisius College, Department of Biology, Buffalo, N.Y. *Research Assistant I*, Supervisor: Robert Grebenok, Ph.D. Assisted in a research project sponsored by the United States Department of Agriculture (NRI award 96-35301-3156). Utilized both analytical chemistry and molecular biology techniques to characterize a plant cDNA through complementation of a yeast mutant. Presented research findings at 1998 ECSC and ASPP meetings. Awarded a grant (\$2400) to examine the effects of sigma ligands on an enzyme involved in plant sterol biosynthesis.

Certification and Licensure

10/2014 Interpersonal Psychotherapy (IPT): Level C, Clinical Certification in IPT

09/2012 – Present Doctoral Temporary Limited Licensed Psychologist (TLLP), State of Michigan (ID: 6301015379)

Clinical Experience

9/2012 – 08/2014 University of Michigan-Department of Veterans Affairs Consortium, Department of Psychiatry Postdoctoral Fellowship (*APA-Accredited*), Ann Arbor, MI
Postdoctoral Resident, Supervisors: J. Todd Arnedt, Ph.D. (Behavioral Sleep Medicine Clinic; Director), Leslie Swanson (Women's and Infants Mental Health Clinic), Todd Favorite, Ph.D. & Kris Konz, MSW (General Depression Clinic)

Conducted diagnostic evaluations, provided weekly evidence-based psychotherapy with adults presenting with anxiety, depression and sleep disorders. Participated in weekly didactic seminars and case presentations. Receive weekly individual (i.e., audiotaped) and group supervision. Completed specialized training in the treatment of depression with Cognitive Behavioral Analysis System of Psychotherapy (CBASP; Favorite) and Interpersonal Psychotherapy (IPT; Konz).

9/2011 – 8/2012 University of Michigan Institute for Human Adjustment (*APA-Accredited*), Ann Arbor, MI *Predoctoral Intern*, Psychological Clinic Supervisors: Todd Favorite, Ph.D. (Clinic Director) & Jeffery Urist, Ph.D. University Center for the Child and the Family Supervisors: Fiona Miller, Ph.D & Polly Gipson, Ph.D. Assessment Supervisor: Elise Hodges, Ph.D. Conducted diagnostic evaluations, provided weekly psychotherapy and cognitive behavioral therapy with children and adults presenting with anxiety, depression and trauma. Participated in weekly didactic seminars and case presentations. Received weekly individual and group supervision (i.e., videotaped). Administered and scored neuropsychological tests for the evaluation of impairments in behavioral control and cognitive domains

of attention and memory and preparation neuropsychological reports. Completed specialized training in the treatment of depression with Cognitive Behavioral Analysis System of Psychotherapy (CBASP) and Interpersonal Psychotherapy (IPT).

- 7/2009 – 9/2010 Children’s National Medical Center, Division of Neuropsychology, Washington, D.C.; Safe Concussion Outcome Recovery & Education (SCORE) Clinic. *Extern*, Supervisor: Gerard Gioia, Ph.D. (Chief, Division of Pediatric Neuropsychology) Administered and scored neuropsychological tests (e.g. ImPACT, CVLT, ACT) to pediatric and young adult patients with mild traumatic brain injury, prepared neuropsychological reports, conducted clinical diagnostic interviews, participated in clinical rounds, community outreach and provided consultation to medical and school personnel to monitor and manage treatment goals. Received weekly individual and group supervision.
- 7/2009 – 9/2010 Children’s National Medical Center, Division of Neuropsychology, Washington, D.C.; Executive Function Clinic. *Extern*, Supervisor: Christopher G. Vaughan, Psy.D. & Laura E. Kenealy, Ph.D. Administered and scored neuropsychological tests (e.g. BRIEF, CMS, CTOPP, CVLT, TEA-Ch, TEC, TOVA, WASI, WIAT-II, WISC-IV, WRAML-2) to children and adolescents with neurological and developmental disorders (e.g., learning disabilities, ADHD, traumatic brain injury) referred for evaluation of impairments in behavioral control and cognitive domains of attention and memory, prepared neuropsychological reports, conducted clinical diagnostic interviews and participated in clinical rounds. Received weekly individual (i.e., live/direct observation) and group supervision.
- 7/2008 – 7/2009 Children’s National Medical Center, Division of Psychology, Washington, D.C.; Child & Adolescent Anxiety Program (CAAP) *Extern*, Supervisor: Candice A. Alfano, Ph.D. Provided outpatient cognitive behavioral therapy with pediatric patients and families with separation anxiety, GAD and obsessive-compulsive disorder in group and individual formats, conducted clinical diagnostic interviews, provided consultation to psychiatrists and educators to facilitate treatment goals, and participated in clinical rounds. Received weekly individual supervision (i.e., live/direct observation).
- 9/2008 – 5/2009 Georgetown University Counseling & Psychiatric Service (CAPS), Washington, D.C.; Extern, Supervisors: Susan Gordon, Ph.D. (Training Director), Becky A. Bailey, Ph.D. & Mathew J. Knauer, Psy.D. Conducted intake interviews, provided low fee weekly psychotherapy and cognitive behavioral therapy with undergraduate and graduate students presenting with anxiety, chronic depression, adjustment and sexuality identity issues, participated with psychology postdoctoral fellows in weekly didactic

seminars and case presentations. Received weekly individual supervision (i.e., audiotaped).

- 8/2007 – 8/2008 James J. Gray Psychotherapy Training Clinic, American University Department of Psychology, Washington, D.C.; *Trainee therapist*, Supervisor: James J. Gray, Ph.D. Conducted intake interviews and provided low fee cognitive behavioral therapy in a department based training clinic with adults from the Washington, D.C. community presenting with ADHD, anxiety, depression, self-injury and weight management. Received weekly individual (i.e., audiotaped and live/direct observation) and group supervision.
- 7/2007 – 7/2008 Children’s National Medical Center, Division of Psychology, Washington, D.C.; Pediatric Behavioral Sleep Medicine Clinic. *Extern*, Supervisor: Daniel S. Lewin, Ph.D., D.ABSM. Conducted clinical diagnostic interviews and provided cognitive behavioral therapy with young adult and pediatric patients and families with sleep disorders (insomnia, delayed sleep phase syndrome, limit setting sleep disorder, sleep onset association disorder, idiopathic hypersomnolence, obstructive sleep apnea, parasomnias and enuresis), Prepared clinical reports, provided consultation and follow-up care for inpatients with a variety of presenting conditions including depression, HIV and traumatic injuries, and participated in clinical rounds. Received weekly individual (i.e., live/direct observation) and group supervision.
- 9/2005 – 5/2007 American University Counseling Center, Washington, D.C.; *Trainee Therapist*, Supervisors: Carol Weissbrod, Ph.D. & Michael Stadter, Ph.D. Conducted intake interviews and provided weekly long-term and brief psychotherapy with undergraduate and graduate students presenting with anxiety, chronic depression, adjustment issues, complicated grief and sexuality identity issues, and participated in weekly didactic seminars and case presentations. Interventions included psychodynamic and humanistic-experiential orientations. Received weekly individual and group supervision (i.e., audiotaped and videotaped).

Research Interests

- 1) Sleep and Circadian rhythm sleep disorders
- 2) Adolescent health
- 3) Health risk behavior
- 4) Mood Disorders
- 5) Evidence-based practice

Grants

Current Research Support (External)

NIH/NICHHD (R01 HD075806-01A1; PI: D.P. Keating) “Neurodevelopmental Pathways in Adolescent Health Risk Behavior”. Role: Co-Investigator.

Completed Research Support (Internal)

Center for Advanced Transportation Leadership and Safety (ATLAS; DTRT13-G-UTC54); “Circadian Timing, Drowsy Driving, and Health Risk Behavior in Novice Adolescent Drivers”. \$35,000, total direct costs; Principal Investigator: Keating; Role: Co-Investigator (2015-16).

Michigan Institute for Clinical & Health Research (MICHR; UL1TR000433); “Circadian Alignment and Response to Antidepressant Therapy in Depression”; \$5,000, total direct costs; Principal Investigator: Swanson; Role: Co-Investigator (2015-16).

Berman Research Fund; “A novel sleep strategy to augment depression treatment in adolescents”. \$20,000, total direct costs. Principal Investigator: Conroy; Role: Co-Investigator (2013).

American Psychological Association Division 38: Health Psychology; “Cognitive Behavioral Therapy for the Treatment of Insomnia in HIV Infected African American Youth: A Randomized Waitlist Control Clinical Trial”; \$1500, total direct costs, Role: Principal Investigator (2007).

American University Mellon Grant; “Associations between Caffeine Exposure, Behavior, Sleep and Expectancies among Youth”; \$500, total direct costs, Role: Principal Investigator (2007).

American University Mellon Grant; “Caffeine Expectancy Questionnaire Development”; \$500, total direct costs, Role: Principal Investigator (2006).

Honors and Awards

1994 – 1998 Canisius College Jacobs Foundation Scholarship
1994 – 1998 Canisius College Academic Incentive Scholarship
1994 – 1998 Canisius College Dean’s Lists
1998 Eastern Colleges Science Conference (ECSC) Presentation Award
1998 Canisius College Excellence in Molecular Biology Research Award
1997 Canisius College Earning Excellence Research Grant (\$2400)
2005 William C. Dement Summer Sleep and Chronobiology Research Apprenticeship
2007 Sleep Research Society Abstract Award
2006 Association for Psychological Science, Student Travel Award
2007 American University Doctoral Dissertation Fellowship (\$10,000)
2007 American Psychological Association, Division 38 Student Research Award: Child/Pediatric Health Psychology

Memberships in Professional Societies

2002 – Present American Psychological Association (APA)
2004 – 2008 Association for Psychological Science (APS)
2004 – 2008 Association for Behavioral and Cognitive Therapies (ABCT)
2004 – Present Sleep Research Society (SRS)
2012 – Present Society for Behavioral Sleep Medicine (SBSM)

Peer-Review Services

Grant Reviewer

- 2006 Reviewer, APS RiSE-UP Research Award
- 2006 Reviewer, APS Student Research Award

Journal Peer Reviewer

- 2005 Pediatrics
- 2006 Experimental and Clinical Psychopharmacology
- 2007 Journal of Child Psychology and Psychiatry
- 2007 Journal of Pediatric Psychology
- 2007 Journal of Clinical Sleep
- 2012–2016 Behavioral Sleep Medicine
- 2012–2015 Sleep
- 2013–2014 Journal of Consulting and Clinical Psychology
- 2013 Health Psychology
- 2013 Sleep Medicine
- 2014–2016 Journal of Caffeine Research

Committee, Organizational, and Volunteer Service

Institutional

- 2005 – 2006 American University; Graduate Student Counsel, Dep. of Psychology Treasurer
- 2006 – 2009 American University; Graduate Student Counsel, Dep. of Psychology President
- 2013 – 2014 University of Michigan; Psychology Training Committee

National

- 2006 – 2008 Association for Psychological Science (APS), Campus Representative

Mentorship and Advising

University of Michigan Undergraduate Research Opportunity Program (UROP)

- 2014–2015 Lilian Chang, Kevin Grimaldi, and Sarah Zaki (Co-Advisor with Daniel Keating)
- 2015–2016 Natasha Heart, Sydney Ohl, Sarah Limb, Hayley Walton, Lizzie Zinn (Co-Advisor with Daniel Keating)

University of Michigan Undergraduate Research Opportunity Program Summer Bridge Program

- 2015 Nataly Sanroman (Co-Advisor with Daniel Keating)

University of Michigan Psychology Honors Program

- 2015–2016 Nishma Valikodath (Co-Advisor with Daniel Keating)

Extramural Invited Presentations

“Drowsy Driving: Why Adolescents are at Risk.” National Organizations for Youth Safety Annual Spring Meeting, Washington, DC. 2008
